testimonials

rae gladwin | director of facilities | guildford college | the whole process was well managed and spaceist kept open the lines of communication throughout. i was extremely pleased with the outcome and would happily work with spaceist again and heartily recommend them to others | apr 09

harry nixon | assistant head teacher | bishop ramsey school | we as a school have been delighted with the way that the areas that spaceist have designed for us have worked out. the staff, students and visitors to the school have all been impressed and we have had many complimentary comments. i believe that this has been to a large extent to the quality of the input that we have had from spaceist ltd. i would have no hesitation in using the company again and fully recommend the company to you | mar 09

isabel heath | company secretary | alloy product design | i just wanted to thank spaceist, we are very pleased with the result. the installation ran very smoothly and the office now looks uncluttered and bright | feb 09

louise taylor | bursar | tolworth school | the service we received was excellent from our initial enquiry right through to the fitting of the furniture. we are very impressed with the high quality of the tables and benches and standard of workmanship and they are even better than we could have expected. i would have no hesitation in recommending spaceist to other potential customers and would definitely use them again for another similar project in the school | nov 08
