- 7 Ø60 mm extruded aluminium column in a white, black and aluminised finish with an epoxy paint coating.
- 8 Straight aluminium injection legs in a white, black and aluminised finish with an epoxy paint coating and polished aluminium finish.
- 9 Stacking protection on the legs.
- 10 Black, 65 mm diameter wheels. 2 with brake and 2 without brake.

Positioning legs in an angular position

The standard 300 SERIES offer 2 different angle positions by positioning the feet in 2 positions, so they can be angled or straight depending on the vertical stackability required.

Folding the desk top desk-top:

The 300 SERIES offers a folding system for the work desk-top, using a system in the brackets that features a locking and unlocking position for the mechanism. At the same time, this folding allows the desks to be stacked, thus saving space. The desks come with a protector on the legs for stacking.

Optional Accessories:

Cable Access Management

Folding Modesty Panel Linking of Desks

Linking device system for desks - TALENT 100 and TALENT 300

TALENT, in its 100 and 300 series, offers a fast linking device system for desks, thus permitting different configurations, making the desks stable and ensuring there is no unwanted movement while they are being used.

The desks are prepared to be linked laterally and frontally, using a e=4mm plastic bracket, which features a quick and simple linking device system.

- 10 Stacking protection on the legs.
- 11 65 mm diameter black wheels. 2 with brakes and 2 without brakes.

Desk Elevation System:

The 500 SERIES has a push button under the desk top that is easily accessible, which allows the desk to be elevated using a gas lift. Height range: 74-104 cm.

Folding the desk top desk-top:

The 500 SERIES offers a folding system for the work desk-top, using a system in the brackets with a locking and unlocking position for the mechanism. At the same time, this folding allows the desks to be stacked, thus saving space. The desks come with a protector on the legs for stacking.

Locking/unlocking system for folding the work desk-top.

TALENT SERIE 500 - Height adjustable desks with castors and folding desk-top

Talent Desks with Laminated Writable Desk-top and dry wipeable

- 1 • 25 mm melamine desk-top with PVC edge and shock-absorbing rubber.
- White laminated melamine desk-top, suitable for writing directly on it with dry erase markers.
- Easily erased and cleaned with a simple cloth or rubber.

Cleaning the Desk-top

Easily erased and cleaned with a simple dry cloth or rubber, even when the writing has been there for a while. The use of chemical products for cleaning the desk-top is not recommended.

Markers for Writing

To correctly write on the desk-top, the use of **dry erase markers** is recommended in order to lengthen the desk desk-top's useful life.
